### New Safety Protocols

1. If you or anyone in your family is feeling sick or symptomatic, as a precaution we ask that your family stays home and joins us for worship online.
2. Per the Jacksonville City Mask Mandate we are asking everyone 7 years and older to wear a mask unless seated.
3. If a Kernan attendee tests positive for COVID-19 within a week of attending we will notify all families.
4. Volunteers will wipe down all toys and frequently touched areas before and after services, in addition to the weekly cleaning of the campus.
5. We must be flexible. Please be patient with the staff as we adapt to these ever changing times. We will notify you of any new protocols or changes.

### Check-In Procedures

#### Station 1

#### TEMPERATURE CHECKS

Every child will have their temperature checked before they can proceed to their class. If it is above 100.4, we will have to ask that your child does not attend activities that morning.

Every ministry leader will also have their temperature checked.

#### Station 2

#### TOUCHLESS CHECK-IN

We will have a volunteer check your family in.

Please do not lose your security tag. In the event you lose it you will be able to show your ID to a ministry leader before printing another and retrieving your child.

#### Station 3

#### ENTRANCE AND EXIT

##### Preschool

Please enter through the Preschool Entrance on the backside of the main building, under the awning. The Preschool Hall will be a one-way hallway.

##### Kids

Please enter using the far right door of the Family Life Center.
